

School Supply List

Junior Primary

All students in the Junior Primary classroom will pay a \$150 supply fee during the first week of school. This fee covers all your student's school supplies as well as additional supplies and learning materials.

In addition to the supply fee, each child requires the following items which should be brought to school on the first day (except the dress shoes).

Please make sure that everything is clearly labelled with your child's name.

- * non-marking athletic shoes that remain at school at all times
- * black, navy, or grey dress shoes to be worn on dress uniform occasions
- * an art smock or a large T-shirt to protect their uniform during art activities
- * a full non-uniform change of clothes (pants, shirt, socks, underwear, sweater) in a plastic bag
- * a water bottle with a non-spill top
