

PEAK

PEAK begins the week of September 12, 2022. Please note the following in preparation for participation in these skill sessions:

Location: Bedford Campus

Days of the Week: Tuesday and Friday

Start time: 8:15am- please ensure your child is aware that she/he is expected to be on time. If a student is consistently late, it is disruptive to the class. Consequently, they may be removed from the skill sessions either temporarily or indefinitely.

Dress Code: Students should arrive at Summit Academy in their normal school attire, and should bring apparel items necessary for outdoor time. Students should dress appropriately for the weather on any given day, with the expectation that he/she could spend all or part of the PEAK session outside.

Behaviour: The Summit Academy Code of Conduct is in effect during all skill sessions. Appropriate and respectful behaviour towards the PEAK instructors and toward other students, is expected at all times on the Summit Academy campus. Communication between PEAK instructors and the Head of School will be constant.

Questions: If you have any questions about PEAK, please do not hesitate to contact Jessica Enman (jessica.enman@summitacademy.ca).

Attendance: If your student is going to be absent from PEAK on any given day, please contact the school, as per Summit Academy's Safe Arrival procedure. You can notify the school of any absences or late arrivals by sending an email to attendance@summitacademy.ca, or leaving a message at 902-405-0435.

Modules: PEAK is a Module-Based Skill Session that combines Sports, Health and Wellness, Team Games, Enhanced Academics, Creative Arts, and more! It is designed to help create well-rounded students and help develop important life-skills such as leadership, teamwork, communication, and more. Sport modules will focus on skill development so students do not need any background in sports.

We are looking forward to a fantastic year of academic and artistic development through PEAK!
